Provide your consent to us to search for your other super accounts using your Tax File Number (TFN)

In accordance with the *Superannuation Industry (Supervision) Act 1993* we can search the Australian Taxation Office (ATO) database using your TFN for other superannuation monies that you may have with the ATO or other superannuation funds. We will advise you of the results and can provide assistance to consolidate these funds into your current account.

I give my consent for the Mercer Super Trust or any successor fund to use my TFN to search for other superannuation monies for me from the ATO or another superannuation provider and to facilitate consolidation of my accounts.

Х

The Mercer Super Trust will only use your TFN in accordance with your consent. The consent will remain in place until cancelled by you in writing or by contacting the Helpline.

The Mercer Super Trust requires your TFN and your consent to use your TFN to search the ATO database for other super accounts on your behalf and cannot search without it.

If any amounts located from the search process are held by the ATO, in respect to Superannuation Guarantee or Superannuation Holding Account special account credits, these balances will be transferred to your account within the Mercer Super Trust.

This consent does not cover facilitating a consolidation of accounts you may already hold in the Mercer Super Trust. Call the Helpline to consolidate your Mercer Super Trust accounts.

Signature and Declaration

Don't forget to sign and return this form to the Mercer Super Trust. You should also keep a copy for your records.
