Step 3: Personal details of spouse receiving your contributions					
Title: Mr Mrs Ms Miss Other Date of birth / / / / / / / / / / / / / / / / / /					
Given names					
Surname					
Postal address					
Suburb State Postcode					
Telephone Mobile					
Details of spouse's super fund					
The details below will help us identify your spouse's super account. It is important to complete all details as the trustee may not be					
able to process your request otherwise.					
Account/Membership number					
Fund name					
○ This fund is a Self Managed Super Fund					
Please note: All payments to a SMSF must use SuperStream to roll over your super benefits. This means your SMSF will need:					
an Electronic Service Address					
a copy of the SMSF bank account statement.					
Telephone Fund ABN number*					
Unique Superannuation Identifier (USI)*/Electronic Service Address (SMSF only)					
If exempt from an ABN, tick the reason for exemption:					
Exempt Public Sector Super Scheme Retirement Savings Account					
Note: You can only split contributions to an active super account held in the name of your spouse in a complying super fund.					
If you are transferring to an SMSF, you will also need to supply a copy of a bank statement of the Fund. If your spouse does not					
have an active super account the trustee will not be able to process your request. Your spouse may have the option of joining the					
Mercer Super Trust through the Mercer SmartSuper Plan – Individual Section. For details, including a copy of the Product Disclosure					
Statement, please call the Helpline on 1800 682 525 . * A transfer to another fund cannot occur without the ABN, USI/ESA and membership/policy number of your spouse's fund. If your rollover fund does not					
have an ABN you will need to contact the fund directly to request evidence of their complying status, such as their notice of compliance. Your spouse's super fund can help you complete these details.

Step 4a - What form of identification will you need to provide?

This section will only apply if you are transferring contributions to your spouse's account in another complying superannuation fund. If you are transferring to a Self Managed Super Fund – refer to Step 4b.

If transferring contributions to your spouse's account in another complying superannuation fund: Option 1 - use your Tax File Number (TFN) The Mercer Super Trust might already hold your TFN. If you're not sure if you have previously provided it, you can choose to do so now. You do not have to provide your TFN, but if you do, this will ensure that any benefit you take from the Mercer Super Trust does not incur additional tax. Please also refer to the information provided below under Providing your Tax File Number (TFN).
Enter your TFN here By providing your TFN, you are authorising us to give this information to your other super fund.
Please note: We will validate your TFN and personal details with the Australian Tax Office. If we cannot confirm an exact match with the ATO's records, you will be required to provide a copy of either your current driver's licence or passport (see below') and your payout will be delayed.
Option 2 – provide a copy of either your current driver's licence or passport* * Your driver's licence must NOT be expired. However, your Australian passport can have expired within the last 2 years.
If you don't have a current driver's licence or passport, you can refer to the Completing Proof of Identity fact sheet on the fund's website at www.mercersuper.com.au for a list of other documents that can be used to identify you. You can also contact the Helpline on 1800 682 525 for assistance.

Providing your Tax Tile Number (TFN)

There may be tax implications if you have not yet provided, or choose not to provide, your TFN. Whilst it is not compulsory to provide your TFN, not doing so could cost you in the following ways:

- you may have paid more tax than necessary on super contributions made for you by your employer (including SG, salary sacrifice and other contributions) in this financial year. This additional tax can be reversed if you provide your TFN to the fund before the end of the financial year, or your earlier payment from the fund. Although you may be able to claim back this additional tax if you later provide your TFN, time limits and other rules may apply, which may affect the size of any refund.
- you may pay additional tax on your super payout.
 However it might be possible to claim this back when lodging yourtax return.
- · you may miss out on any government Super Co-contributions for which you may be eligible; and
- you may have difficulty locating your super in the future, should you lose contact with your fund(s).

If you are uncertain as to whether or not you have provided your TFN, you can check these details on the fund's website **www.mercersuper.com.au** or contact the Helpline on **1800 682 525.**

Step 4b: Identification required if transferring contributions to your spouse's account in a Self Managed Super Fund

If you would like to transfer contributions to your spouse's account in a Self Managed Super Fund, you will need to provide certified ID. The easiest way to do this is to:

- Photocopy both sides of your current drivers licence or passport*
- · Take the photocopies to Australia Post or your local Police Station and ask them to certify your ID document.
- * Your driver's licence must NOT be expired. However, your Australian passport can have expired within the last 2 years.

The person certifying your ID documents will include the following details on the copies:

If you don't have a current driver's licence or passport, you can refer to the Completing Proof of Identity fact sheet on the fund's website at **www.mercersuper.com.au** for a list of other documents that can be used to identify you. You can also contact the Helpline on **1800 682 525** for assistance.

Step 5a: Contributions splitting details				
The contributions I would like to split with my spouse are contributions made to my super account during the previous financial year ended				
30/06/ (YEAR)				
Write the amount or percentage that your spouse is to receive. It cannot be more than 85% of the contributions you made in this category or more than your concessional contributions cap for the financial year. From 1 July 2019, the concessional contributions cap may be increased above the general concessional cap if you are eligible. To be eligible you must make concessional contributions in excess of the general concessional cap, have a total superannuation balance less than \$500,000 immediately prior to the financial year, and have unused concessional cap space from the previous 5 years (with 2018–19 financial year being the first year you can accrue unused concessional contributions). Your concessional contributions cap will equal the general concessional cap plus the previously unused concessional contributions made in excess of the general concessional contributions cap. Your increased concessional contributions cap will be used to determine the maximum amount of taxed splittable contributions.				
Eligible concessional contributions to be split:				
(e.g. deductible contributions such as employer and salary sacrifice contributions)				
(tick one circle only 🗸)				
Dollar amount (enter amount and tick whether net or gross of tax*)				
\$ NET or GROSS				
OR				
Percentage (enter percentage and tick whether net or gross of tax*)				
NET or GROSS				
* Concessional contributions are subject to 15% contribution tax. If you nominate a gross dollar amount or percentage above, the amount transferred will be reduced by 15% to allow for this tax. If you nominate a net dollar amount or percentage above, the amount transferred will be as per your nomination (subject to any applicable maximums).				
Note: Only eligible contributions made during the previous financial year can be split. The total contributions amount nominated				
cannot exceed a maximum of the total concessional contributions made to your account during the financial year or your				
concessional contribution cap** (whichever is the lesser).				
If you nominate an amount greater than your legislated concessional contribution cap the amount transferred will be reduced accordingly. If the amount you nominate would leave you with a leaving service benefit of less than \$5,000, the amount transferred will be limited so that your leaving service benefit is at least \$5,000.				
** Refer to the factsheet Splitting super contributions in the Mercer Super Trust for details of the applicable limit.

Step 5b: Contributions splitting details for exiting members

(only complete this section if you are leaving the Mercer Super Trust)

If you are withdrawing your entire super payout from the Mercer Super Trust you may also elect to split contributions made to your super account during the **current** financial year. Please nominate the amount you wish to split (note this section only applies to contributions made during the current financial year. To request a split for contributions made during the previous financial year you will also need to complete Step 5A above). Please ensure this form is submitted together with your 'Receiving your payout from the Mercer Super Trust' form.

Write the amount or percentage that your spouse is to receive. It cannot be more than 85% of the contributions you made in this category or more than your concessional contributions cap for the financial year. From 1 July 2019, the concessional contributions cap may be increased above the general concessional cap if you are eligible. To be eligible you must make concessional contributions in excess of the general concessional cap, have a total superannuation balance less than \$500,000 immediately prior to the financial year, and have unused concessional cap space from the previous 5 years (with 2018–19 financial year being the first year you can accrue unused concessional contributions). Your concessional contributions cap will equal the general concessional cap plus the previously unused concessional contributions made in excess of the general concessional contributions cap. Your increased concessional contributions cap will be used to determine the maximum amount of taxed splittable contributions.
