NOTES:

1. Differences between returns for each path can reflect different underlying investment strategies, or where strategies are the same, the timing of cash flows in the establishment of Mercer SmartPath®.
2. Total Returns are calculated based on exit prices of the investment option which are after tax and investment fees/indirect costs. Returns greater than one year are shown on an annualised basis.
3. Investment returns for Taxed Investment options, for Transition to Retirement accounts in the pre-retirement phase, are taxed at a rate of 15%.
