

Reinstate your Insurance Cover form - Mercer MyChoice

Use this form to have your cover reinstated, as though it had never ceased due to:

- Your cover lapsing because there was insufficient funds to pay insurance premiums, or
- Your account not receiving a contribution or a rollover for 16 consecutive months (and your account becoming inactive).

Important

To reinstate your cover, you'll need to:

- Submit a properly completed application within 60 calendar days of your cover ceasing, and
- Your Mercer MyChoice account must have enough money to pay premiums owing from when your insurance was cancelled and to continue to pay premiums when due.

Cover that's reinstated will be the same type and level that existed before cover was cancelled, with the same conditions, restrictions and/or loadings, so it will be as though your cover had never ceased.
